Creating & Governing a LLC in Sport & Recreation

Jennifer Gellock, University of North Alabama

Teaching & Learning Fair - Cooperative/Collaborative Small Group Learning (Other)  Abstract 2021-069
Teaching & Learning Fair Presentation  Mode: Synchronous
Session: Teaching & Learning Fair Session 1  Thursday June 3, 2021, 2:30 PM - 3:30 PM

For this assignment, students explore a different type of governance in sport & rec. management and go on an entrepreneurial venture and create a small single day sport and/or recreation tourism event business as founding members of a limited liability company. The three parts of this project include (a) creating an original business idea and event, (b) describe the roles of shared governance and responsibilities of partners, (c) create policy and procedure manuals for participants and volunteers.
